

# BENEFITS OF USING AN OAKSURE BROKER

## **We Guide**

As your broker, we will guide you through the process of buying insurance now. In the future when you need further assistance we are just a phone call, email or WhatsApp away.

## **We Educate**

As your Broker, we will help you with any insurance or add-on product questions. If you are unsure of something on your policy, we here to guide you through so you can understand it.

## **We Are Available**

As your Broker, we are here to help when you want to add items to your policy or update what you have on cover. If you need a copy of your documents or to update your details, we are here to make sure it gets done.

## **We Communicate**

As your Broker, we communicate with you & your insurer when you have a claim. We will guide you through the process of the claim, from registering to finalization.

## **We Protect**

As your Broker, we have many insurance products to help you stay protected. We will provide you with solutions to help you stay safe, from car & home to pet & cyber, we have you covered.
